

Feature	Description
<b>Home</b>	The members' landing page. The home page contains Member contributed articles, editorials, and announcements displayed in chronological order. Navigation links appear across the top of the home page as well as down the left side and provide one-click access to all the other features of the site.
<b>Community Radar™</b>	Dynamic information service providing members with instant headlines and alerts from nearby communities.
<b>My Account</b>	Members' access password reset features, maintain their Member Directory entry/contact information, and manage shortcuts here.
<b>Downloads</b>	Browsable, searchable repository of forms, utilities, and reference files.
<b>Submit News</b>	Online form for members to use to contribute articles, editorials, and announcements to the community site. Submissions are reviewed by community volunteers for accuracy and relevance prior to posting.
<b>Topics</b>	Archive of all articles organized by browsable topics such as Neighborhood Watch. Feature includes full text searching of the archive. Members can subscribe to selected topics to receive email notification when new items are posted to a topic of interest.
<b>Top</b>	A report with links to the most read articles, most active authors, most downloaded files, most active site members and related items.
<b>FAQ</b>	Frequently Asked Questions organized into browsable categories.
<b>Links</b>	A directory of web resource links organized into categories. Directory can be search using key words. Members can submit links for inclusion.
<b>Member Directory</b>	A searchable, online listing of members' profiles. Members can optionally include their name, contact information, and notes. Strict "opt-in" standards are used to protect members' privacy.
<b>Calendar</b>	Interactive calendar displays civic, social, association, entertainment and other events. Members can suggest events online using a web form.
<b>Forums</b>	An online discussion bulletin board for members. Any member can start an online conversation topic to which all other members can post replies. Members have the option to receive email notices when new posts are made to existing topics.
<b>Newsletter</b>	Email newsletter archive enables members to browse back issues.
<b>Payment</b>	Online credit card processing for paying membership dues, advertising fees, or for making donations.
<b>Photo Gallery</b>	Photo sharing feature allows members to post, search, and download photographs and images.
<b>Referrals</b>	Member contributed referrals for positive product or service experiences.
<b>Surveys</b>	Informal opinion polls. Members can view results live.
